The Hon'ble Minister for Revenue,

Government of Mysore,

B a n g a l o r e.

Dear Sir,

Subject:-Grant of land to 78 landless Harijans of Alur Village in S.No.3, Block No.2 of Haradanahalli District Forest in Chamarajanagar Taluk.

I write to state that Darakast records have been built up for starting of an Agricultural coloney for the Harijans of Alur in S.No.3, Block No.2 of Haradanahalli District Forest Area and the same is said to have been sent to Government by the Divisional Commissioner, Mysore Division, Mysore, last month itself, getting the opinion of the Forest Department and the Assistant Director of Agriculture, Mysore in favour of starting the Agricultural Coloney. In this connection as I have already represented during your tour in Chamarajanagar Taluk that 200 (Two hundred) acres out of the total area asked for being given under Darkast, would be irrigated since the Public Works Department has included the restoration of the Hebballa breached tank at a cost of Rupees 1,40,000 during 1959-60 since it is a feasible project as answered in the March Session of 1959 by the Hon'ble Public Works Department Minister to an interpellation put by me.
If this area is released early and made available to the applicants it will fecilitate them to bring the land under cultivation before the project is taken up and finished and will help them to get atleast dry crops.

May I remind you of your assurance during your

your tour and inspections of this area that Government would pass necessary orders to release the area adjacent to S.No.61 of Iyanapur Village after getting opinion of Forest Officers.

I, therefore, request you to order for the release of Six Hundred of acres of land for being given under Darakast to these landless Harijans and other Backward Community people who have already been recommended by the Revenue and Forest Departments.

I solicit an early favourable orders and a reply in the matter.

Yours faithfully,

Sir,

Sub:- Release of 400 acres of land lying adjacent to S. No. 51 of Iyyanapura village from the State Forest for formation of an Agricultural Colony of Harijans of Alur village.

Ref:- Your letter No. AFD-511-FGL-59 Dt. 2-11-1959.

The release of the area included in Hardanahalli Forest was recommended to be rejected, under this office letter of even number dated 4-9-1959, in view of the availability of extensive areas suited for cultivation in the immediate vicinity outside the Forest. However it was suggested to consider the release of a portion of the area which would be irrigable under the tank, situated in the area, when its repairs are completed. Accordingly Government in their No. AFD-364-DST-58 dated 4-11-1959 have rejected the application for release of lands in Haradanahalli Forest. In the circumstances I am not in favour of releasing the area in question at present.

The records accompany.

3. Letter No.D2-PR 706/58-59, dated 28-11-1959 from the Deputy Commissioner, Mysore Districts.

In forwarding herewith a copy of letter No.C2-PR 706/58, dated, 28-11-1959 together with the connected records received from the Deputy Commissioner, Mysore District, Mysore, on the above subject, I write to state that S.No.3 of Block II of Haradanahalli State Forest measures an extent of 3,026-26 acres. On the recommendation of the Deputy Commissioner, Mysore a proposal for the release of an extent of 400 acres of land in the above Survey Number for the formation of A. K. Letter No.F.3089, dated 26-9-1959 of the District Forest Officer, Mysore Division, Mysore.

- - -

I write to state that S.No.3 of Block II of Haradanahalli State Forest measures an extent of 3,026-26 acres of land. In your reference cited first, proposal has been sent to Govt., for the ~~xxxx~~ release of 400-0 acres of land in the S.No for cultivation purposes for the formation of an Harijan Agricultural Colony.

2. The Asst. Commissioner, Nanjangud Sub-Division, in his references cited second, third and fourth has submitted proposals for the release of the remaining extent in the S.No. for cultivation purposes for being granted to the Depressed Class and other several eligible applicants of the neighbouring villages.

3. It is, among other things ~~ø~~ reported that an extent of about 2,000.00 acres of land in the ~~xxxxx~~ Survey Number has been granted to the ~~xxx~~ Palace for grazing the cattle of the Palace which has been recognised as the Private Property of H.H. the Maharaja of Mysore in Government Order No.RD 123 LGM 57, dated 25th Sept., 1958; that the remaining extent in the S.No. is about 1,026-26 acres of land; that out of 500 acres of land proposed to be released by the [in Assistant commissioner in his reference cited fourth an extent of] 82.35 acres of land is included in the Hongalavadi Village lands and is recognised as the Private Property of H.H. the Maharaja of Mysore who is paying an assessment of Rs.20-11-6 annually towards the same, that where as as per the Index of Lands Register ~~xx~~ it is shown as KHARAB and is recommended that the remaining extent in the S.No. may be released from the ~~xxxx~~ Forest for cultivation purposes as there are more number of applications for grant of lands in the S.No.

4. The ~~xxxxxxxx~~ District Forest Officer, Mysore Division, who was consulted regarding the release of the lands in question from the Forest has in his reference cited fifth (copy enclosed) stated that his remarks made in ~~xx~~ his reference No.1480 dated 22nd July, 1959 holds good in these cases also. This reference dated 22nd July, 1959 of the Dist. Forest Officer has been enclosed in the records sent in this Office letter No.C2-PR 699/58-59, dated 8th Septr., 1959, for obtaining Orders of Govt., for the release of 400 acres of land in the S.No.

5. From the records I find that out of an extent of about 1026-26 acres of land available for disposal ~~ø~~ in the S.No., an extent of 400 acres of land has already been proposed to be released in your reference cited first leaving out an extent of 626-26 acres of land for disposal, that as against this, proposals have now been received for the release of a total ~~xx~~ extent of 765-05 acres of land in the S.No. which is exclusive of 82.35 acres of land included in Hongalavadi Village; that this discrepancy might be due to the fact that the Local Officers have built up four records at different times for the release of the lands in the S.No. and that the District Forest Officer, Mysore Division, in ~~xx~~ his previous reference dated 22nd July, 1959, has opined that such area in the S.No., that becomes irrigiable after the restoration of the tank may be released.

6. In the circumstances, I request that orders of Government may kindly be obtained for the release of 626-26 acres of land in the S.No. from the Forest Department for cultivation purposes. On receipt of orders of release the question of ~~xx~~ disposal of the lands in the S.No. will be taken up in ~~xxxxxxxxxx~~ conformity with the new darkhast rules.

P.T.O.

42

7. As regards the proposal made by the Local Officers for the release of 82-35 acres of land included in Hongalavadi Village, I write to state that a reference has been made to the Secretary to H.H. the Maharaja of Mysore, to intimate the circumstances under which the palace authorities are in possession of this land. On receipt of his reply further action will be taken in this behalf.

8. In this connection, I wish to state that Government in their letter No.RD-318 LMD-59, dated 7th May, 1959 (copy enclosed) have directed that the question of disposal of the land for cultivation purpose may be considered after inspecting the lands. But the land has not been inspected as I am convinced with the recommendation of ~~xxxx~~ the Local Officers for the release of the land in this S.No. for cultivation purpose.

9. The connected records received in references cited second, third and fourth of the Asst. Commissioner, accompany.

In fact this Distric Forest area is practically barren with no trees like Honne, Matthi, Teak or sandlewood. Hence we request the Ho'ble Chief Minister and other Ministers, to kindly pass necessary early orders so as to enable us to have the said area on Darkhast. Dear Sir,

and Settlement of political Sufferers of Chamarajanagar Taluk.

We wish to report to you that the question of Sanctioning lands to all the political sufferers of this Taluk has not been Completed inspite of the fact that relevant records have been built up in respect of personnel in the following Survey No. We do not know the reason for this inordinate delay in Sanctioning lands to political sufferers particularly while lands are being Sanctioned to other personnel. We request you to take steps as to why this state of affairs exists as far as political sufferers are Concerned.

In this Connection I wish to draw your attention to the question releasing Haradanahalli District forest. That is Survey No 1 and Block No 2. This particular block extends up to Attigulipura from the Chamarajawadyar Colony. There are

absolutely no trees in the whole area and as such this can be conveniently released. There are 22 political sufferers whose application is pending disposal. These people can be asked to settle on land in this area if arrangement is made to release the same.

Incidentally it may be recalled that during your visit here you had asked the deputy Commissioner to look into this question. we understand that this has been referred to the forest authorities. As this area is free from all the elements which warrants its reservation, we hope you will take up this matter seriously with the Conservator of forest and release the lands at a very early date.

Sir,

Sub:- Release of land in S.No.3 of Block No. II of Haradahalli Forest.

.....

Ref:- Your letter No. AFD 511 FGL 59 dated 23-3-60.

The supply of firewood to the urban population in Mysore District is causing concern and alaram. All nearby forests have been exploited and except in inaccessible tracts in the interior, there is no suitable area left for growing plantations of firewood species. In the interests of the future firewood supplies it would be quite unjustifiable to disreserve even an acre more of Reserve Forest in Mysore District.

An area of 6000 acres a year may have to be planted up in Mysore District in future years to keep up firewood supplies to the repeatedly growing townships in Mysore District. I cannot therefore recommend the disreservation of any more forest areas in this District. Large extent of Revenue waste lands and Assessed waste lands found in this District may be taken up for forming Agricultural Colonies.

The enclosures received with your letter under reference are retransmitted.

Chief Conservator of Forests.

We write to present this humble petition to your kind perusal that we are poor Adikarnatakas, Kurubas and Muslims who are economically very poor. Most of us are Agriculturists not possessing any land. We are coolies working in the Agricultural lands of others who are more fortunates than us. The earnings from this labour is very poor. We have given our humble representations in this regard on several occassions Viz. 29-9-1961, 6-10-1961, 22=11=1961 requesting the benign Government to release this land and distribute amongest us But up till now it has not been considered and our cry has been in vain. (T.S. Ramaiya)
Under Secretary to Government,
Agriculture & Forest Department.

Copy of representation x dated 24th July 1962 from Ramaiah, and others of Adikarnatakas of Dadadahalli, Chandakavadi Hobli, Chamarajanagar Taluk.

Sub:- Praying for release of 400 acres of land in Haradanahalli - District Forest area where there are no rich timber i.e. to the East Hosakatte, to the West - the land under cultivation by Hebbasur Adikarnatak people, to the North - Somedevara temple and to the South - Burugathela halla, the area known as Huvinatotada area.

We xx write to present this humble petition to your kind perusal that we are poor Adikarnatakas, Kurubas and Mx Muslims who are economically very poor. Most of us are Agriculturists not possessing any land. We are coolies working in the Agricultural lands of others who are more fortunates than us. The earnings from this labour is very poor. We have given our humble representations in this regard dn several occasions viz. 29-9-1961, 6-10-1961, 22-11-1961 requesting the benign Government to release this land and distribute amongst us. But uptill now it has not been considered and our cry has been in vain. We want to live like other poor people in the Agricultural Colony and make our living worthy. Hence we pray that our humble request may kindly be considered favourably and for which act of kindness we ever remain grateful to you.

Superintendent,
A. & F. Deptt.
